NEW YORK, N. Y.

Mr. Addison Taylor

Dear Mr. Taylor:

Newell-Emmett has called to our attention the fact that your monthly affidavit for Beech-Nut calls for 96 broadcasts.

You wrote to them, previously, that you were not on the air for the first week in February. This makes the affidavit incorrect.

Since this is the notarized affidavit, we wish you would answer immediately as to whether this was just a mistake, or whether you actually did broadcast 96 times during the month. If it was a mistake, please send on another affidavit, duly notarized, as quickly as possible, as Newell-Emmett is holding up payment on this bill.

Sincerely yours,

Naomi Ross Fine
